CHECKING THE STATUS OF YOUR APPLICATION

If you have applied to The Agency for Persons with Disabilities (APD) and have not heard from them at all, you need to call and get a status. **Diana Burgos Garcia is the Regional Program Supervisor, Pre-Enrollment /Waitlist & Community Affairs for the Northeast Region. She can be reached at: Office phone: 386-947-4022. Email: diana.garcia@apdcares.org**

Find out: Has your application even been received?

Depending on the answer you will:

1. Be ON THE Pre-enrollment list / formerly called the APD WAITLIST

If you were found eligible and placed on the APD Pre-enrollment list for MedWaiver Services, you should be **hearing from APD at least annually** to check how things are going. APD will do this by phone call or a letter. This is the time to make sure your information is current and up to date.

If you have not heard from anyone at APD in the last year and you have a letter that placed you on the APD Waitlist/Pre-enrolled, contact either of the Waitlist Supervisors Support listed below:

David Walker, APD Wait List Support Coordinator, Jacksonville
904-992-2432 david.walker@apdcares.org

Jennifer Fennell, Wait List Support Coordinator, Gainesville
352-955-6199 jennifer.fennell@apdcares.org

Be sure to keep your address and phone numbers current. It is up to you to call APD and let them know if something is going on or your needs have changed.

2. STILL BEING Reviewed but your application is complete.
