

Welcome to the Delores Barr Weaver Therapeutic Equestrian Center at North Florida School of Special Education. We are beyond excited to open our barn doors to our families and neighbors! We teach basic riding and horsemanship skills to riders of all ages of all abilities.

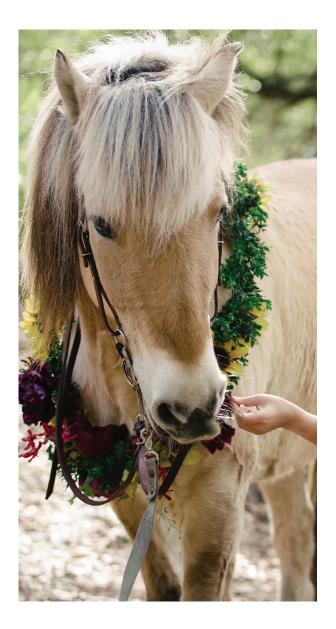

Our program is designed to benefit our riders physically, socially,

and emotionally by using horses and volunteers who are trained to work with individuals of varying abilities.

Equine-Assisted Therapy incorporates equine activities and/or the equine environment. For individuals with challenges, the unique relationship formed with the horse can lead to increased confidence, patience and self-esteem. Equine-Assisted Therapy will occur in classes during school hours.

Therapeutic Riding involves mounted activities including traditional riding disciplines or adaptive riding activities conducted by an experienced therapeutic riding instructor. North Florida School of Education is a member of PATH Intl. and is seeking certification.

Included in your rider request package are the following items:

- I. Welcome Page
- 2. Rules for Riding
- 3. Participant Application Form
- 4. \*Annual Physicians Referral Form
- 5. \*Emergency Contact Information
- 6. \*Photo/Name Release Form
- 7. Family Volunteer Form

\* NFSSE students/riders do NOT need to fill out the form since we have them on file

Upon completion of these forms, please return them to the front desk as soon as possible. Once the forms have been reviewed by our Administration, if you are eligible for the program you will be contacted to schedule a time for you to come in for an evaluation conference. Please check the calendar on our website for the most current riding schedule. If there is not an opening in a class appropriate for your age, then you will be placed on a waiting list until space opens up.

#### **RULES FOR RIDING**

- 1. For your safety, you must follow all of the instructor's directions.
- 2. A safety helmet must be worn at all times when riding, in the arena, grooming and in the barn.
- 3. For the safety of all riders, staff and volunteers, NFSSE requires the following:
  - a. A parent or adult guardian must be present during the entire riding lesson for all riders under the age of 21 years old and all non-verbal riders. NFSSE reserves the right to extend this policy to other riders as deemed necessary by a NFSSE designated representative.
  - b. Due to the weight carry limits of our therapy horses as well as the availability and limitations of our volunteers, riders must weigh no more than 190 pounds. This rule is required in order to ensure the safety of the riders, volunteers, and staff as well as to protect the health and soundness of the horses. If you exceed these weight requirements, contact the Program Director.
- 4. Long pants are recommended as well as closed toed shoes. Sneakers will be allowed but not recommended. Please do not wear skirts or overly short shorts.
- 5. Remember this is Florida. Bring something cool to drink, a hat for shade and a sweat band or towel if needed.
- 6. Any bleeding wounds or open sores must be covered with a bandage, or the rider cannot attend that lesson.
- 7. Please advise the instructor or Barn Manager if the rider has a behavioral or medical problem so that assisting volunteers may be informed.
- 8. Please be sure to advise the instructor of any medical changes (i.e.: a recent seizure).
- 9. Please refrain from coaching your rider from the sidelines. It is important their focus remain on the instructor and assisting volunteers.
- 10. Please make sure that any visitors you bring (including siblings) are kept under your supervision. (No climbing/sitting/standing on the fence, no shouting or loud voices, no running around the riding arena or parking lot, etc.)
- 11. Please check with the instructor or a staff member before using a camera or video.
- 12. Please do not hesitate to ask for help if you are unsure of something. The instructors, staff, and volunteers are always happy to assist.
- 13. Everyone on NFSSE property is asked to make themselves aware of and abide by our Rules for Riding.
- 14. Riding participation at NFSSE is at the discretion of NFSSE. If at any time the NFSSE's staff determines that riding at NFSSE is not an appropriate activity for a rider, NFSSE may remove a rider from the Program. NFSSE will not tolerate any rider who engages in disruptive conduct, exhibits behaviors that are unacceptable or unsafe, is disrespectful to instructors, horses or other riders, or fails to follow directions of instructors.

### Thank You for Following Our Rules for Riding. Safety Is Our Number One Priority.
